

New Opportunity from P&H

Plumbing and Heating Wholesale is proud to announce that we will be offering a "**Contractor Specials and Liquidation**" page to our website. Starting in February, we are going to be offering the opportunity to see all the items we have on liquidation, special, or promotion. All from the convenience of your home or office.

We have created a new link on the right hand side of our website (www.pandhwholesale.com) called "**Contractor Specials & Liquidation**". This new page will contain our monthly flyer that you may already be receiving. It is the same document in a computer friendly PDF format. Along with our monthly specials it will also contain detailed information about all items we are liquidating.

In order to be able to view this section of our website you first need to have a username and password. This is to protect from unauthorized viewing of special pricing to our contractors. Please fill out the bottom portion of this flyer and return it to your local P&H branch, or with your payment by mail. Once received we will setup an account for you to use.
